1902 Jany  
Supposed  
Plague in  
Baghdad  
quarantine  
established  
24 Frid The  
6.46

W. breeze & cloudy;  
I feel better & stronger today & have  
much appetite; I got some boiled  
Biz fish for breakfast, which I  
found very delicious; I also took  
some Arrow root etc; ~ But I feel  
so thirsty always, & only like to  
suck sweet Lemon or Oranges;

antine Authorities  
after having inspected the Jewish  
quarters with the Turkish Beledyeh  
Doctors & referred the matter  
to Constanple, a decision came  
to establish a Cordon around  
Baghdad of 5 days quarantine  
on all those that leave the town  
and consequently, a quarantine  
been put yesterday at Gherara,  
Khan Beni Saad, Mahmoodieh,  
Salahieh etc etc; The Steamers  
will also have to make 5 days  
quarantine at [strikethrough "Diala"]Gherara
